Improvement in quality of teaching छात्रों का चयन मानसिक गुणवत्ता के आधार पर होना चाहिए । न कि आपसी व्यावहारिक संबंधों को लेकर ।शिक्षा के मंदिर में कोई अमीर गरीब उच्च नीच होशियार एवं कमजोर नहीं होता शिक्षक के लिए सब समान होनें चाहिए ।मेरा अनुरोध और सुझाब दोनों है कि महाविद्यालय में पक्षपात रहित चयन होना चाहिए
A little more attention should be paid to complete the course
1)Novels and biographies should be added in the library content , 2)Smarboard should be used while explaining some technical thing
There should be some group projects to be completed by students
Study ke liye best
