Dear Sir,

Greetings from Macleod's Pharmaceuticals Ltd!

Macleods is one of the fastest growing pharmaceutical company. We have strong presence in various therapeutics segments. It is headquartered in Mumbai with its R&D center located in Mumbai and plants at Sarigam, Daman, Sikkim, Baddi and Palghar with two upcoming manufacturing sites at Dahej and Indore. For further information about company please visit our website <http://www.macleodspharma.com/>

We are hiring young dynamic fresher's to pursue their career in Pharma Industry. They will be placed as "Intern" in QC and Production departments at our PITHAMPUR (INDORE)

Career Progression:

- The qualified students will be inducted as "Intern" for 3 months. This will be a paid internship.
- On successful completion of Internship program they will be appointed in the organisation and will be on 9 months of Training period, 3 months of probation, post which they will be confirmed on the basis of their performance.

The detail education and their salary package is given below.

Sr. No.	Qualification	Department	Internship - 3 months at COE as Intern	At plant Salary per annum during Training Period - for 9 months as Trainee	Salary per annum during Probation Period - 3 months as Jr. Officer	Salary per annum after completion of probation period as Jr. Officer
1	B. Pharma / MSc - (Analytical/Organic Chemistry)	QC	9500	175476/-	232320/-	243936/-
2	M. Pharma	QC	10000	222432/-	292392/-	307012/-

Student's require to carry final year results at the time of interview. We are hiring only pass-out students for Internship program and further career development.

Regards,

Kajal Vishwakarma

Dear Sir,

We have received the co-operation from you in providing us the staff for our company in past since March 2018. We had interviewed from campus interviews and selected a candidate Mr. Pawan Chauhan M. Sc. as a research chemist in our company. His contribution in our Organic Synthesis group was appreciated by his superiors. In recent days due to corona pandemic we conducted a telephonic interview and selected on candidate Mr. Ramoo Bhadoriya M. Sc. as a trainee in our Organic Synthesis group on 2nd October 2020.

We are extremely pleased with your offer to conduct campus interviews of the graduate and post-graduate candidates passing out from your college.

We have always requirement of Chemistry graduates and PG from time to time. We request you to continue allowing us to conduct the campus interviews in your college for our requirement of personnel for our company.

Thanking you and with regards,

For TKS Saraswati Lab
